IronHack Payments

IronHack Payments Cohort Analysis

PRESENTING FOR
IronHack Payments

PRESENTERS
Lukas Kreibig, Mirko Caroleo, Marta Samuel

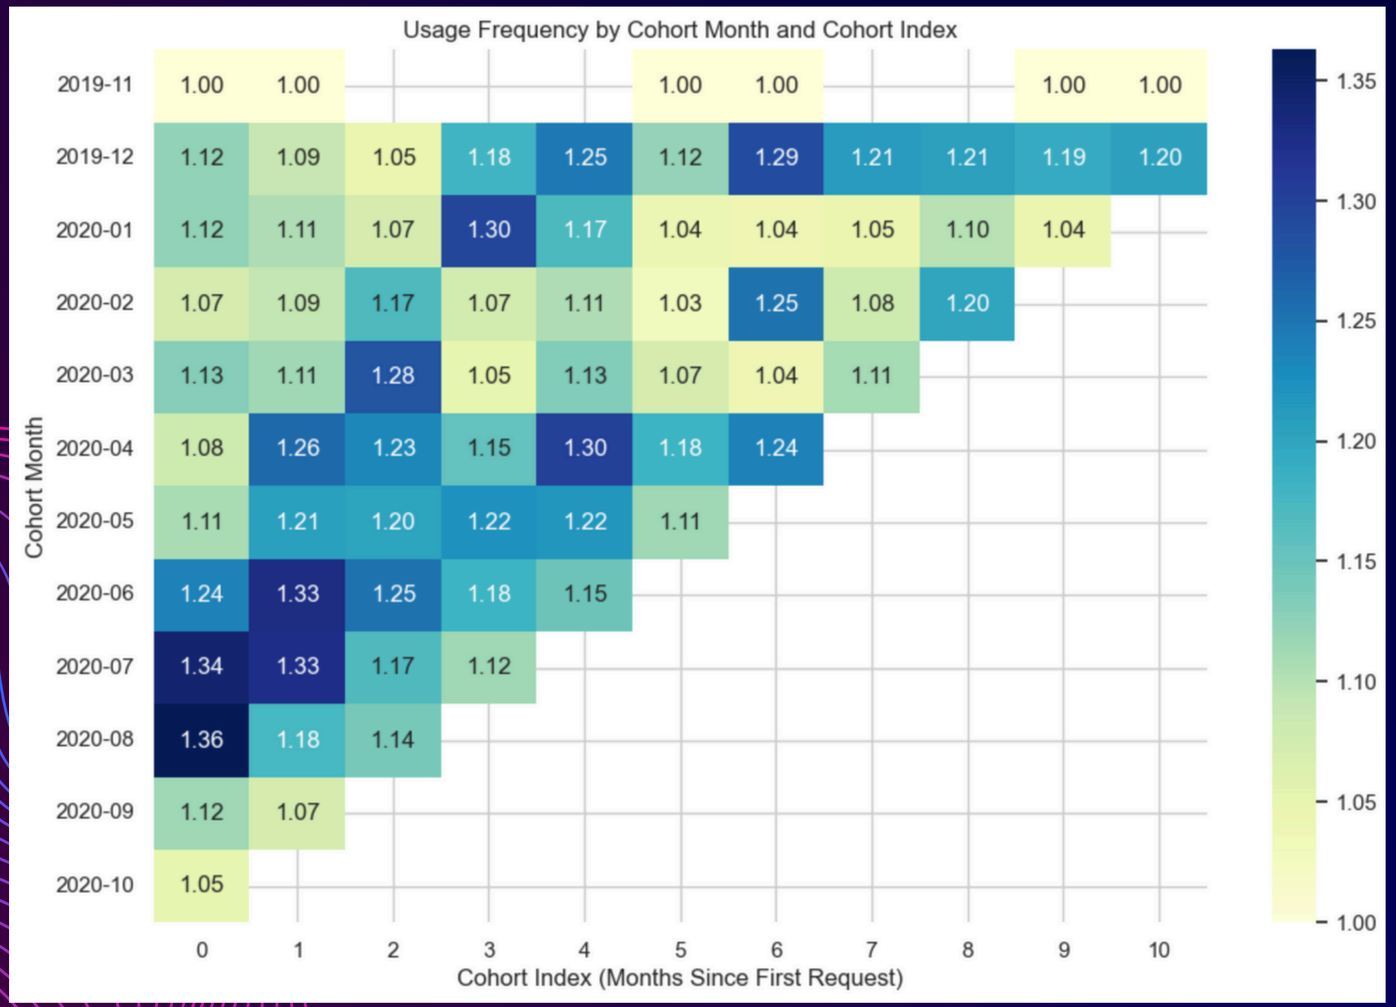

28.02.2025

IronHack Payments

Objectives

1. Usage frequency
2. Incident rate
3. Revenue by cohort
4. User retention rate
5. Q&A

IronHack Payments

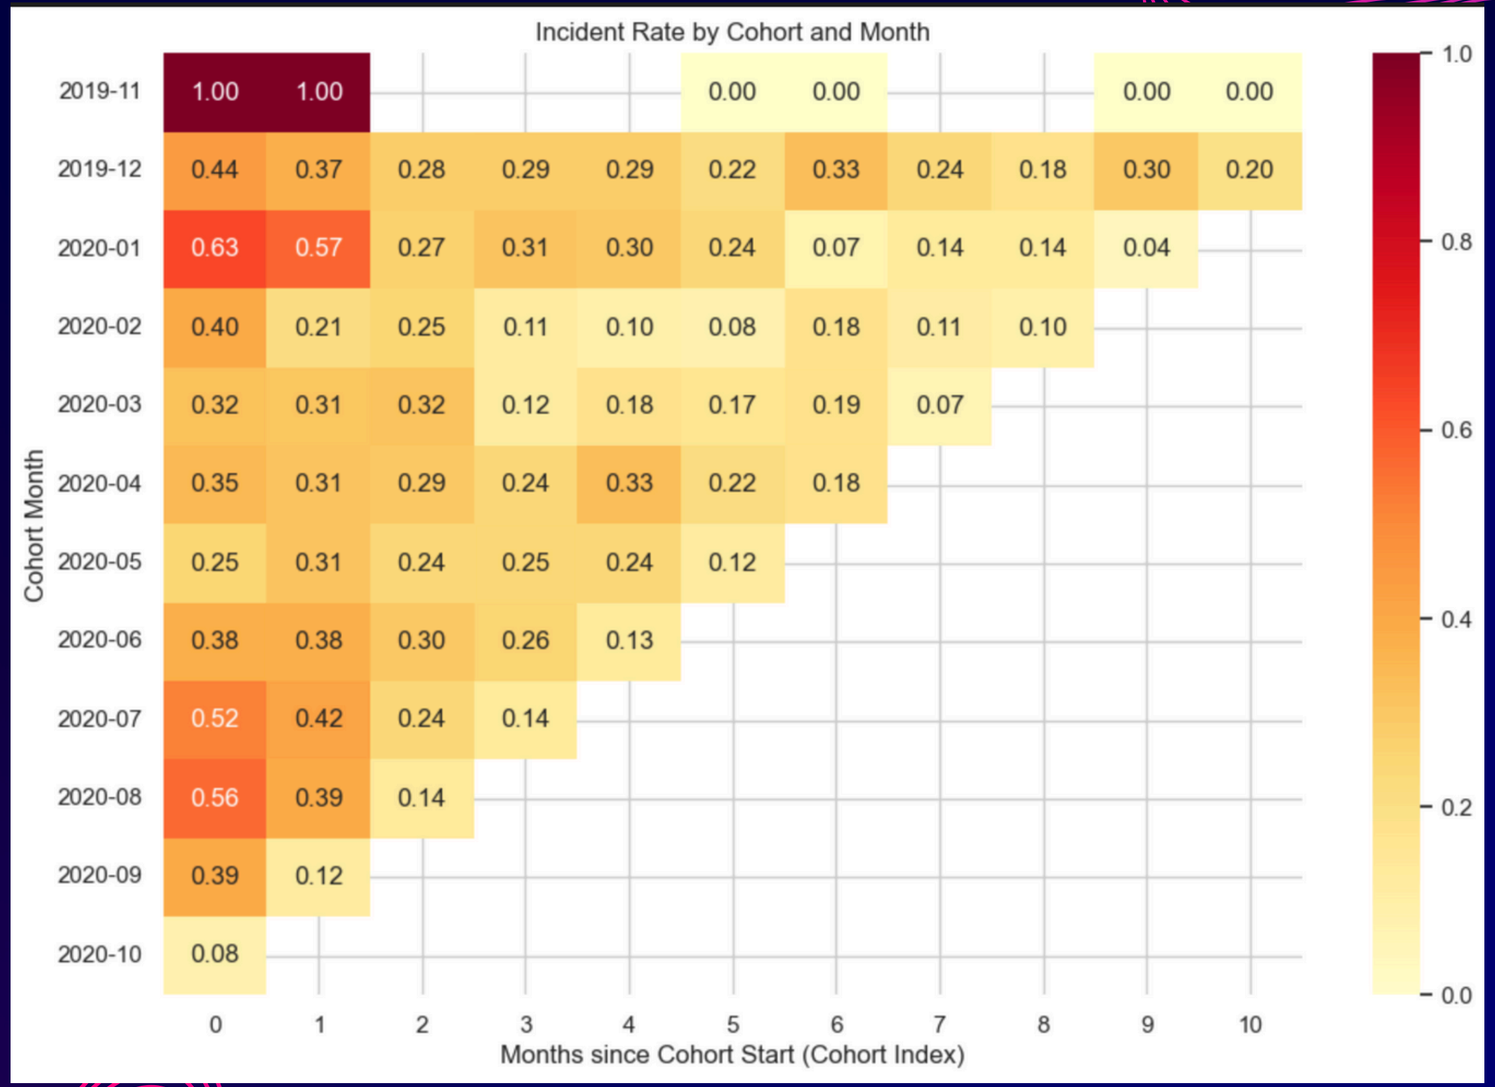

1.Usage Frequency

- Increasing Usage Over Time for Many Cohorts (first few months)
- Declining Usage in Later Months for Some Cohorts
- Notable growth in the mid-2020 cohorts
- Consistent Drop-Off After 6-8 Months

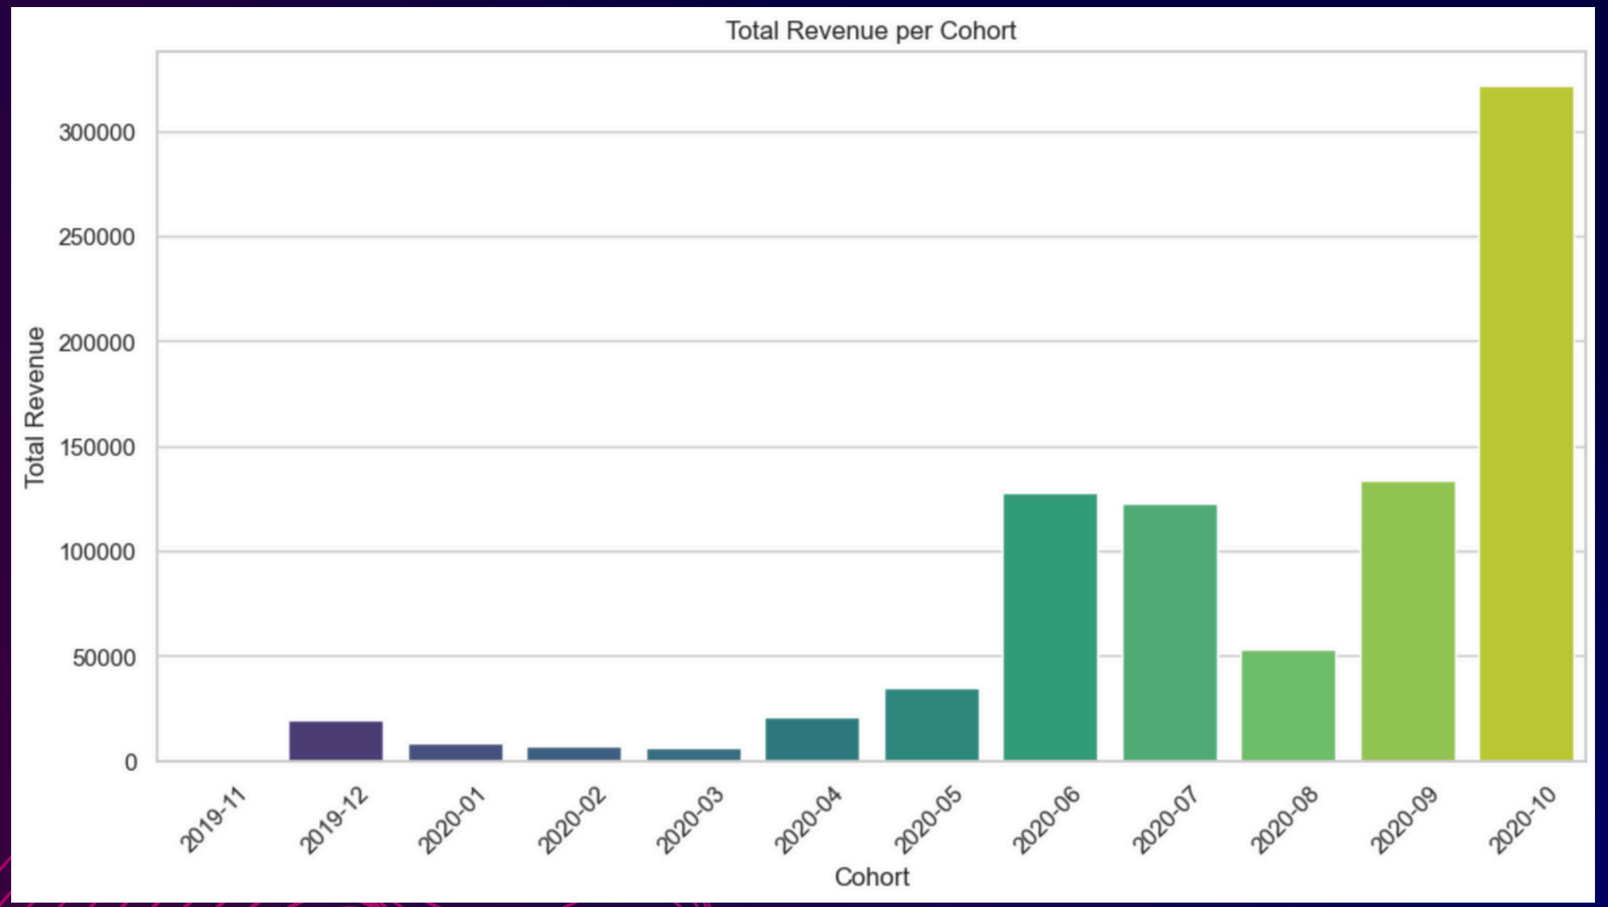

IronHack Payments

2. Incident Rate

- Initial High Rates immediately after cohort starts
- Fluctuations over time
- General Decreasing Trend
- Seasonal variations (July and August)

IronHack Payments

Revenue by cohort

- Rapid Growth
- Noticeable increase: May 2020
- October 2020 Peak
- Slight Dip in November 2020
